## MESSAGE FROM THE DIRECTOR

*"From His fullness we have all received grace upon grace". Jn. 1:16*

Greetings to you in the joy of Jesus. **Sacred Grace Ministries** is still in the business of giving financial assistance to young people striving to become strong, responsible adults. The Lord continues to direct us to the students who really deserve the scholarships that **Sacred Grace** can offer. Amounts vary depending upon their needs. In these times of economic stress, I would encourage you to give whatever you can spare to help these young people. No contribution is ever too small. We once received \$5.00 from a 90 year old lady in a nursing home along with a note apologizing because she could not send more.

The two 2007 High School graduates pictured below are a small example of what God's grace is accomplishing through you, our contributors. Ja'Juan Gibson is from a family of nine. He wants to become a dentist. Desiree Bailey, another ambitious student, was raised by her great-grandmother. She has always been a hard worker and now wants to become a lawyer. Both have now completed successful freshman years and have returned to their universities to continue pursuing their goals.

Thank you for helping them to realize their goals. Please continue to support our efforts to encourage more young people such as Ja'Juan, Desiree, and this year's recipient, Cassandra J. Holt.

All our support comes from the gifts and contributions of people like who who believe in the value of what we do. We are all volunteers, therefore, we pay no salaries. **Sacred Grace** is a legal, 501(c)3 organization and your contributions are fully tax-deductible. Please keep this ministry in your prayers.
